Attention - FEMA Hermit's Peak Calf/Canyon Claims Office
P.O. Box 1329
Santa Fe, NM 87504

Once the Hermit's Peak/Calf Canyon Claims Office acknowledges the receipt and completion of the Notice of Loss form, they have 180 days to determine the amount to be paid to the claimant.

It is important to emphasize that while the Notice of Loss form will be accepted beginning Nov. 14, it will take time to build out the operation and the claims process to full capacity. The Hermit's Peak/Calf Canyon Claims Office is expected to be fully operational in early 2023.

In the coming months a variety of methods will be utilized to reach impacted residents, including opening Customer Service Centers and employing mobile units to provide one-on-one assistance to those with questions about the claims process.

FEMA is working closely with local leaders and community partners in the roll out of these services and will keep New Mexicans and Tribal Nations impacted by these fires informed every step of the way.
