

President Joseph R. Biden, Jr. Approves Major Disaster Declaration for California

Release Date: November 22, 2023

WASHINGTON -- FEMA announced that federal disaster assistance has been made available to the state of California to supplement recovery efforts in the areas affected by Tropical Storm Hilary, Aug. 19-21, 2023.

Public Assistance federal funding is available to the state, tribal and eligible local governments and certain private nonprofit organizations on a cost-sharing basis for emergency work and the repair or replacement of facilities damaged by Tropical Storm Hilary in Imperial, Inyo, Kern, Riverside and Siskiyou counties.

Federal funding is also available on a cost-sharing basis for hazard mitigation measures statewide.

Andrew F. Grant has been named as the Federal Coordinating Officer for federal recovery operations in the affected area. Additional designations may be made at a later date if requested by the state and warranted by the results of further assessments.
