

FEMA Disaster Recovery Centers in Seven Area Counties

Release Date: June 7, 2024

New FEMA Disaster Recovery Centers are opening Monday, June 10, in Harrison and Montgomery counties in Iowa.

Recovery specialists from FEMA and the U.S. Small Business Administration will provide information on available services, explain assistance programs and help survivors complete or check the status of their applications.

In coming days, locations and hours in eastern Nebraska and western Iowa are changing. Read below for a complete list.

Remember: Help is available online and by phone.

- Visiting DisasterAssistance.gov
- Calling FEMA directly at 800-621-FEMA (3362)
- Using the [FEMA app](#)

If you need help, FEMA staff will be on hand at the Disaster Recovery Center.

Anyone using a relay service, such as video relay service (VRS), captioned telephone service or others, can give FEMA the number for that service. For an accessible video on three ways to apply for FEMA assistance, visit:

Disaster Recovery Centers are physically accessible to people with disabilities and others with access and functional needs. They are equipped with assistance and adaptive technology such as amplified phones, caption phones, video phones, wheelchair ramps and other resources to help ensure all applicants can access resources.
