Release Date: Jul 26, 2024

The President declared a major disaster for the May 21-27 severe storms, straight-line winds, tornadoes, landslides and mudslides, making Individual Assistance and Public Assistance available for the designated counties in Kentucky. Below are some differences between these two programs:

Public Assistance

Public Assistance provides supplemental grants to state, tribal, territorial, and local governments, and certain types of private non-profits so that communities can quickly respond to and recover from major disasters or emergencies.

- For the May 21-27 disaster declaration (DR-4804-KY), Public Assistance may be available for Adair, Allen, Ballard, Barren, Breckinridge, Butler, Caldwell, Calloway, Carlisle, Christian, Clay, Clinton, Crittenden, Cumberland, Edmonson, Estill, Fulton, Garrard, Graves, Grayson, Green, Hart, Hickman, Hopkins, Jackson, Knox, Larue, Laurel, Lee, Leslie, Livingston, Logan, Lyon, Marshall, McCracken, McCreary, McLean, Meade, Menifee, Metcalfe, Monroe, Muhlenberg, Ohio, Owsley, Pulaski, Rockcastle, Russell, Simpson, Todd, Trigg, Warren, Washington, Wayne, Whitley, and Woodford counties.
- Federal funding is available to eligible entities, including state governments, local governments, and certain private nonprofit organizations, such as schools, hospitals, houses of worship and public utility districts.
- Although funds are awarded to government entities and certain private nonprofits, the Public Assistance program is intended to benefit the public — neighborhoods, cities, counties and states.
- Public Assistance can help pay for:
 - The removal of eligible disaster-related debris;
 - The repair of roads and bridges;
 - The repair of utilities and water systems;

- The restoration or repair of buildings such as schools, hospitals and places that provide community services;
- The replacement of equipment used by public facilities;
- The program also encourages protection of damaged facilities from future incidents by providing assistance for hazard mitigation measures.
