

Columbia, PA – Countywide

FEMA's Risk Mapping, Assessment, and Planning (Risk MAP) Program helps strengthen communities by identifying actions they can take now to reduce their hazard risk, enhance local planning, improve outreach through risk communications, and increase local resilience to natural hazards. Below is an overview of some key items identified during the Changes Since Last FIRM¹ impact assessment.

The information presented below are estimates as of June 2020.

Flood insurance is available to **ALL COMMUNITIES**

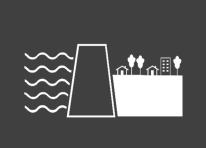

1 COMMUNITY

is taking advantage of the flood insurance savings offered through the Community Rating System
