

FEMA National Earthquake Hazards Reduction Program (NEHRP)

Fiscal Year 2024 Master Schedule/Deliverable Table

All grant applicants must complete and submit a combined master schedule/deliverable table in [FEMA GO](#) to be considered for funding under the FEMA National Earthquake Hazards Reduction Program (NEHRP) Individual State Earthquake Assistance and the FEMA NEHRP Multi-State and National Earthquake Assistance funding opportunities.

This document provides a template Master Schedule/Deliverable Table to assist grant applicants with completing this step of the application process. The combined master schedule/deliverable table should provide a detailed overview of measurable deliverables, budgeted costs, and schedule dates for each proposed project task(s) and sub-task(s). For more information about the NEHRP State Assistance Grant Program, please visit fema.gov/earthquake.
