

Training Request/Approval Form

Training(s) Requested By

Name, Organization: _____

Address, City, State, Zip: _____

Phone Number, E-mail Address: _____

FEMA Region Point of Contact, Region Number: _____

Preferred training date(s): _____ Estimated number of participants (25 minimum): _____

IMPORTANT

The requester is responsible for assisting the National Dam Safety Program (NDSP) Training Team with local logistical arrangements and associated costs (if any) including the room reservation, audio/visual equipment reservation (projector and screen), recruitment and registration of students, and refreshments (optional). In the event that the requester is unable to perform any logistical arrangement, the NDSP Training Team will assist on an as needed basis.

By submitting this National Dam Safety Training Program training request form, the requester is confirming responsibility for local logistical requirements. The NDSP Training Team will develop FEMA branded content for announcement and/or registration capabilities upon request.

Please explain how this/these training(s) align with your local dam safety efforts. If you selected more than one training, please indicate your order of preference:

Send completed forms to **Tim Bush** at timothy.bush@fema.dhs.gov.

For questions, contact **Alesia Za Gara** at alesia.zagara@associates.fema.dhs.gov.

Once approved, the requester will be contacted to confirm details including the location address, shipping address, training dates, and other logistical information.
