Questlon (7) How are the SAFER-recruited volunteer firefighter(s) being utilized in the fire department and community? Regional fire department grants and Interest Organizations should answer this question based on all fire departments participating in this grant award.
Questlon (7) How are the SAFER-recruited volunteer firefighter(s) being utilized in the fire department and community? Regional fire department grants and Interest Organizations should answer this question based on all fire departments participating in this grant award.
Questlon (7) How are the SAFER-recruited volunteer firefighter(s) being utilized in the fire department and community? Regional fire department grants and Interest Organizations should answer this question based on all fire departments participating in this grant award.

Question
(8) What benefits are the new volunteer firefighters and/or retention of current volunteer firefighters providing for the fire department and
community?
Regional fire department grants and Interest Organizations should answer this question based on all fire departments participating in this
grant award.
Explanation
Question
(9) How have your department's response capabilities changed since the award of the SAFER grant? If applicable provide examples of
improvements the department is making in meeting NFPA 1710 or 1720 compliance. (Note: Compare your response times before the SAFER grant
[and as indicated in the Impact on Daily Operations portion of your application narrative] to your average response times now. How does this
compare to your goals for the SAFER grant?)
Regional fire department grants and Interest Organizations should answer this question based on all fire departments participating in this
grant award.
Explanation
Question
(10) How has the average number of volunteer firefighters that respond to emergencies improved as a result of this SAFER grant? (Note: Compare
the number of volunteers that responded to emergencies prior to the SAFER grant to the number that assemble now. How does this compare to
your goals for the SAFER grant?)
Regional fire department grants and Interest Organizations should answer this question based on all fire departments participating in this
grant award.
Explanation

Question
11) Interest Organizations Only: How is the organization evaluating or how do you plan to evaluate the effectiveness of your recruitment and/or etention efforts, and how you are progressing in meeting those expectations.
Explanation
Question
12) Does the department/organization need additional technical assistance from FEMA or foresee any obstacles in executing the grant within the
period of performance? If yes, please provide details on the technical assistance needs and explain any obstacles being encountered. Examples of
obstacles include, but are not limited to:
Procurement delays
Delays in delivery of items/equipment from vendor(s)
Jnable to find eligibility determination of certain items or equipment
Lower than expected response to grant awarded activities
nability to hire awarded positions (SAFER awards).
