

Documents Needed When Applying For Public Assistance

Private nonprofits should be prepared to provide the following when applying for FEMA Public Assistance:

IRS letter stating tax-exempt status under sections 501(c), (d), or (e) OR evidence that the organization is a non-revenue producing Nonprofit under state law

Proof of ownership for the damaged facility OR lease or other proof of legal responsibility for the damaged facility

List of services provided in the damaged facility, indicating when and for whom
